SPRING 2025

Our Tie-Dye & Painted tableware is a perfect match with our basic dinnerware. This way you can easily fresh up your dinner table.

Some of us remember these vases. With the 80's vibe coming up a must in every home.

Finally we have our dark wood frame, because it gives just that little extra to your inlay.

This new wall ornament is too cool. We were thinking about a new sort of funky mirror and this came out of it. Love it, want it, got it

Living together with her two sons Kick and Beer and housecat Jackson.

Blue is thé colour & Tie-Dye is thé pattern of this spring capsule collection. Fresh & bright.

The dinnerware fits perfectly with our basic white dinnerware and the kitchen textiles will fit perfectly with your spring clean up mood.

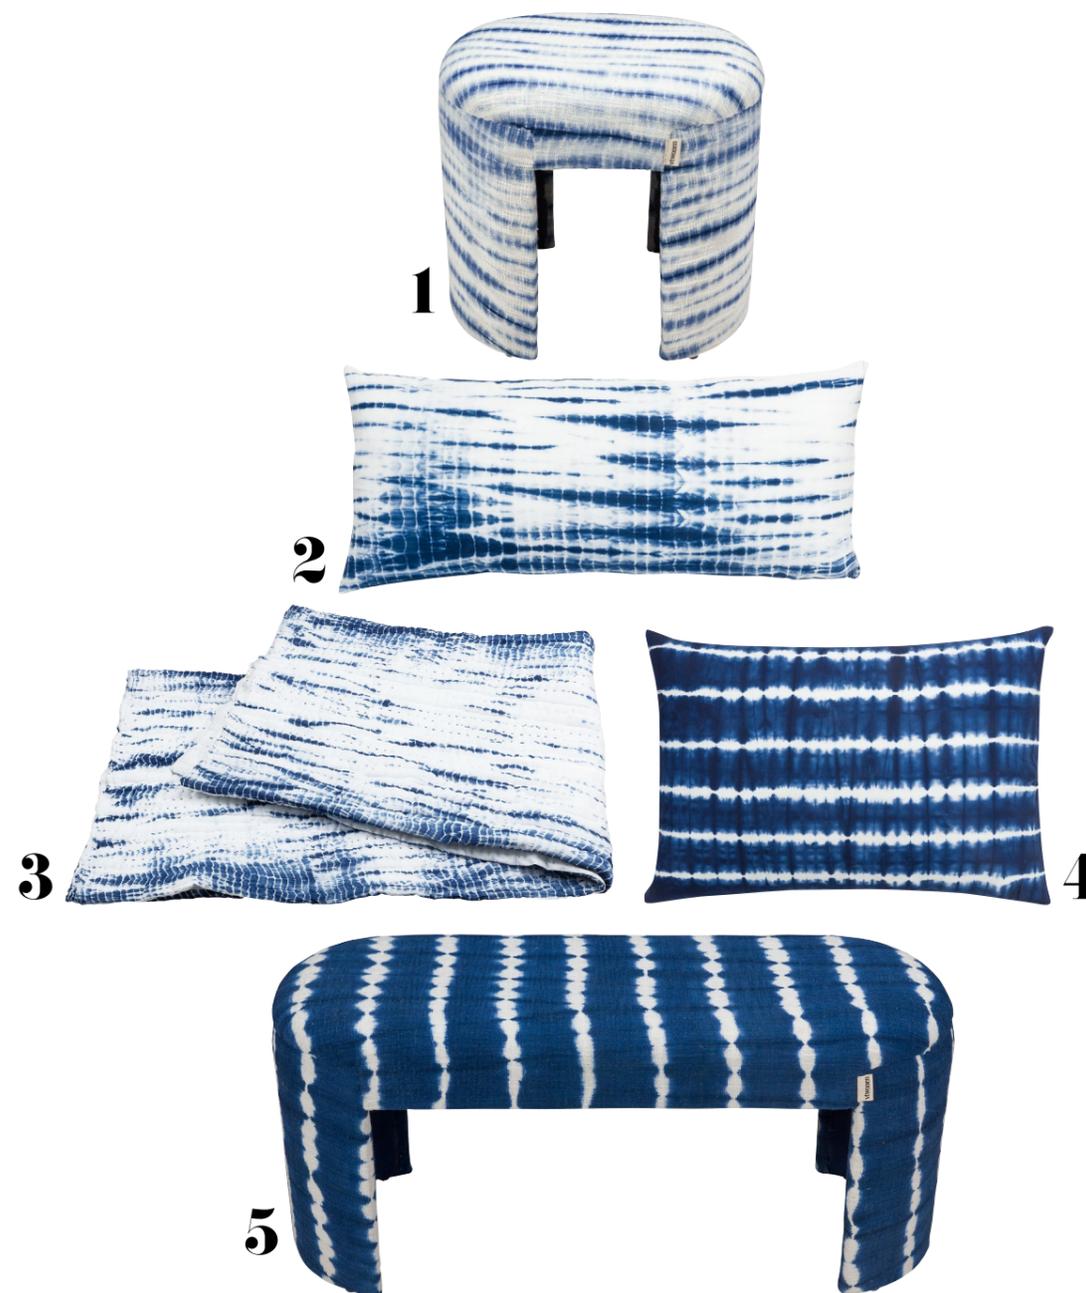

And to top it all, our disco ball wall panels are a perfect fit with our summer capsule with warm brown and cork '80's items. The eye cushions, the cork elements, everything will blend in in your home as if it was there all along.

Enjoy!
